Charlotte,

- <!--[if !supportLists]--><!--[endif]-->IRIS is now asking for show-stoppers or red-flags on the five PFAS systematic review protocol prior to the May 30<sup>th</sup>, 2019 agency-wide briefing.
- <!--[if !supportLists]--><!--[endif]-->Please inform if you would like OSCP to coordinate the OCSPP response for IO review.
- <!--[if !supportLists]--><!--[endif]-->Optionally, programs can communicate directly with IRIS thru Andrew Kraft, the PFAS Lead, and Vicki Soto (IRIS).

Thanks,  
Karen

**Subject:** IRIS PFAS Systematic Review Protocol

Hello Everyone,

As mentioned during the IRIS Kick-off meeting in February and every EPA-Wide IRIS Meeting since, we are planning to release the *Systematic Review Protocol for the PFBA, PFHxA, PFHxS, PFNA, and PFDA IRIS Assessments* for public comment in June. In preparation, we are providing the current draft of the document (attached here again) and have scheduled an EPA-wide briefing for May 30<sup>th</sup> at 3:00 PM Eastern (calendar invite below).

If as you read the protocol you see show-stoppers or red flags that you would like to bring to our attention, please contact Andrew Kraft, IRIS Associate Director for Science and NCEA PFAS Lead. Please also copy Vicki Soto in your communications as Andrew may be out during part of this month.

Thank you for your interest and engagement,

Tina

Hello Everyone,

As mentioned during the EPA-Wide IRIS Meeting last week, attached to this meeting invitation, we are providing for your reference the *Systematic Review Protocol for the PFBA, PFHxA, PFHxS, PFNA, and PFDA IRIS Assessments*. This document is currently being tech-edited and prepared to be posted for public comment in June. On May 30<sup>th</sup> at 3:00 PM Eastern, IRIS will provide an EPA-wide briefing on this work. If you have any questions, please don't hesitate to reach out to [Andrew Kraft](#), IRIS Associate Director for Science and NCEA PFAS Lead.

Thanks!
